1. This is the time I must sing; I will, I do, I have, I am. I am singing for this is My/your time and the earth will hear with singing glory hallelujah to His/My name, alleluia.

2. The Lord God reigns supreme, or does He, or does Father's heart? You choose. One and the same not. Sometimes. You will see all and understand the magnitude of differentiation. You do now, almost, somewhat, being given insight and hindsight into the foresight given by seers not, but by Me, surrendered one to My Father of lights, in whom is no shadow or variableness of turning. Me. Amen. You. Amen. Glory hallelujah. Amen.

3. Alleluias to your name, the blood of the lamb slain and coming forth pure in word format, voice untainted, **selfishness self-demised** in the power of one. I love you.
Thankful I am. Thankful you all.
Thankful through/throughout the ages we now are.
I love you. I give you Me.
I love you. I love you. I love you.
I love you. I love you. I love you.
I love you. I love you. I love you. Amen.

4. This is the time I must/am, sing/singing, profusely and constantly continuously and without remuneration from heavenly not, but all in light of no shadow or variableness of turning. All understood and coming together and **documenting all** I do/you do. We do together at dawn, so soon, yea, beginning now and have and will increasingly. **You having/writing insight into/with sight seen of the** furious not, but the **fullness of all as it happened blow by blow, day by day. Who and who said what and what happened. Who and who did this and that and how all come as it was/is and how all manifested through light and darkness.** I love you. Allowed. Non-constrained. All given. Hegemony chosen by some given-to. I love you.

5. Into all see and **be not afraid to call a spade a spade, and document all** in My/your words which travel far and wide and across light to surfaces many in time zones/regions **of man not-thought, yea, but My creation is, your brethren.** I love you.

6. See into Me unafraid more and more and into the core you come/are so soon. Into the core, Mine. Into My core. Into the core of all existence and nothing, nothing, nothing withheld from you is.
7. **Document all, all, all** I show you/there is/was, and coming yet to come and is there any truth to Me? Is there any truth in/to these words, declaration of the end times

ending not but coming into the fullness of My time, yea and half time coming added.Yea the fullness of time not, Me, **the fullness of Me in/with My creation in the fullest surrender of surrender surrendered: ultimate absolute irreversible and eternal'd crossing all lines, boundaries, labels, ages, lines, times, and back and forth seamlessly throughout.** I love you.

8. I have given you the gift of gab not; the gift that I desire most, from you, at this time, now, revealer of Me **revealing Me, from humble beginnings to announcement of Me in Me and now you and all My creation fulfilled with the word/promise of My voice/fullness and operating in the Holy of Holies.** Amen, seamlessly and never ending/leaving, My/their temple of God, not; Father's heart, one, with you, Me, **and the surrendered ones now who journey far and wide to WeekWorks come/attend/participate, receiving/becoming, freedom/freed.** I love you in the power of His might. I love you in truth. I love you for every word spoken, redeemed, light'd, motive'd by love personified in/by bread of/from heaven, you, Me, **documenting all** are, if/who chosen/choose. I love you. Amen.

I love you.

Guts'd unafraid and who can mock the word of the Lord coming forth in raiment of truth truth'd, not cloaked in truth/white lies, which aren't white or light or truth, but **darkness posing/portraying a thought-light, life of not-Me, draining the significance of Mine who Me are.** I love you. **Guts and guts-ing My timid, crushed, demised, valued-not who on benches and gutters are, wondering, wondering, wondering if I exist and where when am I making Myself known in the values/reality of My heart/Father's heart,** one heart that is seamless without sewing/seams. I love you.

15. Into Me see the words, scene, and **all cometh clear for the surrendered reader-hearer who surrenders to hear the/My truth from** above not, beyond not, future'd not, but **within/without** now and truth reigns and in the earth comes/flooding, My waves of truth correcting the minds/souls of the Holy-thought, Holy-seeking sincere who taint not themselves/their words in self arrogance and adulation of other Gods, themselves first, demising all others underneath their feet. Footnote:
1. It was a good trip. My family and I just now returned from a couple days away at Silver Dollar City for Thanksgiving. We just got back in town an hour ago and, per this word, I came and posted it right away. And He gave me 4 more messages while I was gone that I look forward to sharing with you over these next couple of days. Blessings to you all this Thanksgiving weekend. Ted.
